ABOUT

#### **CAPTURE LIVE DATA**

- LAT Long
- Pictures
- Work Execution

#### **DISTRIBUTE DATA**

- Dashboards
- Reports
- Export to Excel

#### **BUILD FORMS**

- Projects
- Sub Projects
- Tasks and work completion certification.

Invendis mSurvey is a mobile app providing forms for data collection and sharing, empowering the workforce to work smarter and faster in the field with easy, efficient data updates right on your mobile device. Send completed digital forms directly to coworkers, customers, or anyone else who needs to see them.

Its ability to automatically capture LAT: LONG and to take pictures with location, date and time stamp makes it an ideal tool for routine field jobs.
